CLASS DETAILS AND SUB-CLASSIFICATIONS

GENERAL

- Each driver may only compete in one class. Dispensation can be requested for this rule. This is at the discretion of the organisation.
- Only engines according to homologations supplied to the GK4 organization are allowed.
- In order for a sub-classification to count as such in the championship, a minimum of 5 drivers must start per race. Participation in sub-classifications is a free choice of the drivers who meet the criteria and is not mandatory.

IN PARTICULAR

GK4 Honda Cadet + Rookie

- Eight (8) one-day events.
- The class is held in the GK4 weekends (7) and the NK IAME weekend (1)
- The class falls under the Sporting Regulations GK4.
- Approved engine GK4 Honda GX160 UT2 - described in the Technical Regulations 2025 applicable to this class - which are supplied by or on behalf of the GK4 organization.

IAME Mini and IAME Mini Rookie

- The IAME Mini Rookie class is considered the starter class for first-year IAME Mini drivers.
- The age and experience of the drivers are starting points for placing in one of the two classes.
- The first 8 classified drivers in the Final Standings IAME SERIES BENELUX, IAME Mini Rookie Class 2023 must, if they want to participate in the IAME Mini or IAME Mini Rookie class in the 2025 season, regardless of their age, be required to participate in the IAME Mini class. It is possible to deviate from this rule on request, whereby the final decision is reserved to the organisation.
- The organization is authorized to determine whether a driver - regardless of his age - should start in the IAME Mini or IAME Mini Rookie class, based on the experience gained by this driver in one of these classes or comparable classes in another competition.
- If a driver, who has reached the age of 11 years, submits the request to participate in the IAME Mini Rookie class, the decision lies with the organization.

IAME KA 100 Senior

- IAME KA 100 Senior 145
- IAME KA 100 Senior 155
- The designations 145 and 155 refer to the minimum weight.
- The age requirements are idemic; from the age of 13 (year you turn 13).
- You are free to choose the class 145 or 155.

Formula Honda 9HP Junior and Formula Honda 9HP Junior Senior
