SUPER CUP KA 100

EXPLANATION

As a KA 100 Senior 145/155 driver, you are free to choose which races you participate in for the Super Cup in the three participating championships.

Of course, the three championships each have their own ranking. In total, there are 10 races in the three championships with a total of 20 results that count for the Super Cup:

Benelux 4 races with 2 results each: the results after the heats and of the final;

NK IAME 1 race and GK4 5 races with 2 results each: the best results of the two heats and of the finals.

From the in total 20 results, the best 10 results per driver per class KA 145 and 155 are included in the final ranking of the Super Cup.

The Interim Scores after Calendar race 7 determine the prizes
Free Entry at Euro Cup Le Mans.
